PARENT/TEACHER CONFERENCES

We are looking forward to seeing all our parents and/or guardian for our 2nd Semester “Parent/Teacher” conferences **Friday, Feb. 1st**. Your child will be receiving confirmation notices with a scheduled time and date. Call our school if you need to verify or change your appointment. We would like to provide you with the following helpful suggestions to make the conferences a success:

- 1. Before the conference, talk with your child.** Find out his or her favorite subjects and activities, and if there are any concerns he or she would like you to discuss with the teacher. Also, ask for subjects they may be struggling in, as well.
- 2. Review assignments.** Are there some areas where your child really shines and others that might need a little extra work? Discuss both strengths and weaknesses with the teacher.
- 3. On the day of the conference, please be on time.** The conference schedule is tight and the teachers need all parents to be on time. If something comes up, notify the teacher as soon as possible. Try to reschedule, even if it has to be a telephone conference.
- 4. Remember that conferences are brief.** A typical parent/teacher conference lasts 15 to 20 minutes. If you need additional time, ask for a follow-up conference.
- 5. Keep an open mind.** Some parents get angry when teachers discuss troubled areas. Remember that these conferences are meant to help you understand your child’s school performance. Working together with the teacher will help your child succeed throughout the year.
- 6. Make plans.** Find out what you can do to follow through at home. Decide together what you, your child, and the teacher need to do to help your child.
- 7. After the conferences meet with your child and discuss the teacher’s comments.** Remember to praise all the things your child is doing well and pass along the teacher’s compliments. If you need to, talk about areas that you and the teacher will be working on to help your child at home, as well.
- 8. In the days and weeks that follow, let your child’s teacher know that you are following through on what was discussed and that you’d like to hear how things are progressing in the classroom.**

ALWAYS REMEMBER OUR SCHOOL AND TEACHERS WELCOME AND NEED PARENTAL INVOLVEMENT YEAR-ROUND.

SEE YOU FOR P/T CONFERENCES!!! ☺

Father James B. Hay Catholic School
Community Partners Program

At Father James B. Hay Catholic School, we value the support from our community partners. The Community Partners Program is a way to ensure that the needs of our school are being met, and that the community feels connected to the school, and our students and families. The program has three tiers, Bronze, Silver, and Gold.

There is a way for individuals, families, and businesses to contribute and connect with the school.
